Subject: Cyber Security Awareness Month

To: All Las Cruces Campus Students
From: Norma Grijalva, ICT
Date: October 3, 2014
Subject: Cyber Security Awareness Month

October is National Cyber Security Awareness Month, and NMSU is doing its part to get the word out about protecting our information, computers, and networks. During the month of October, Information & Communication Technologies (ICT) Information Security office staff will be manning information tables for our students at various locations across the Las Cruces campus.

Come by and visit with our ICT Information Security office staff and NMSU IT Compliance Officer to learn more about computer and data security and ways you can keep your personal data and University data secure. The schedules for the tables are as follows:

Students Information Tables

Wednesday, October 08, 2014	2:00 pm - 4:00 pm	Health and Social Services Lobby
Friday, October 10, 2014	1:30 pm - 3:30 pm	Business Complex Lobby
Wednesday, October 15, 2014	1:30 pm - 3:30 pm	Gerald Thomas Hall Lobby
Monday, October 20, 2014	2:00 pm - 4:00 pm	O'Donnell Hall Lobby
Wednesday, October 22, 2014	1:30 pm - 3:30 pm	Thomas & Brown Lobby
Monday, October 13, 2014	2:00 pm - 3:00 pm	Science Hall Lobby

Over the course of the month, ICT will be reaching out to you in various ways to spread the word about information security. If you'd like to learn more, visit: <http://infosec.nmsu.edu>

If you have questions or comments, please don't hesitate to contact me at cio@nmsu.edu.

Information Security is everyone's responsibility!
